## Company Name Change and Relocation of Head Office

Greetings,

I hope this letter finds you well, and I would like to thank you for your continued support.

This letter serves to inform you that we are changing the company name and relocating our head office.

Since our establishment as Kyodo Sangyo Co., Ltd. in 1958, we have primarily engaged in supplying parts and accessories to Isuzu Motors based out of our head office in Shinagawa, Tokyo for more than 60 years. Due to Isuzu Motors Limited relocating to Yokohama, we have decided to relocate our head office to a corner of the building into which Isuzu Motors will relocate. Congruently, we have decided to change the company name and company vision, based on the fundamental concepts of Accessories and Service parts, as part of our strategy to facilitate further growth in the future and to contribute more than ever before. We look forward to your continued patronage, guidance, and encouragement.

Additionally, I would also like to inform you that we have also decided to change the name of our subsidiary in Thailand, currently ICL (Thailand) Co., Ltd.

Thank you for your attention
